S18120	Just Wobble While You Work	Lincoln-Hubbard Elementary	Second Grade	Whether small group or one-on-one instruction, second grade students will enjoy the opportunity to twist, rock, and wiggle as they engage in their learning.	Alexandra Kelly Abigail Emerson Ann Anderson	\$972.00
S18121	Flexible Seating With Huddle Desks	Brayton Elementary	Brayton School First Grade Class	Currently, in my first grade classroom we have large tables that seat 4-5 students. There is a lack of flexibility and mobility in terms of seating arrangements for the students. It is	Diana Johnson	\$5,960.00

				challenging to change seating arrangements within the classroom, and it is difficult to arrange students for small group or collaborative instruction. Huddle desks provide more flexible seating. They can be arranged in many different practical configurations. Huddle desks also feature a unique shape that makes grouping easier. Students will be able to easily arrange desks to meet the needs of a collaborative lesson. Huddle desks also provide the flexibility of having students face forward to maintain better attention. The large tables currently present in the classroom do not have such flexibility.		
S18122	Reading to Learn while Learning to Read	Lincoln-Hubbard Elementary	Second Grade	Creating a leveled nonfiction library for our growing second grade readers.	Abigail Emerson Alex Kelly Ann Anderson	\$3,260.00
S18123	Writing Can Happen Anywhere	Brayton Elementary	Appropriate for all grades, 1-5 in all areas	"Surf" desks are lightweight portable desks that allow students to write on a supported platform away from their standard desks (EG. at the carpet, outside, in the hallways)	Dr. Cheryl Moretz	\$483.00
S18124	Have a Say on Seating	Franklin Elementary	1st grade all content area	Giving students a choice for flexible seating	Jennifer Schwarzenbek, Amy Chambers, Megan McCue	\$5,742.00
S18126	Breakout EDU	Brayton Elementary	A class of 23 third grade students; however, I will share it with any of my colleagues at Brayton School and turnkey my knowledge and experiences, regarding Breakout EDU.	Digital Breakout games teach critical thinking, teamwork, and complex problem solving. Through technology integration with the new Google Sites, the Quizzes feature in Google Forms, and an endless assortment of other technology integration tools, teachers can create unique personalized learning experiences for any content area.	Lauren Fullmer	\$800.00
S18127	The Learning Lounge	Lincoln-Hubbard Elementary	First Grade classroom	The grant will provide all students with flexible choice seating to help address learning styles and activity levels.	Courtney Nelson	\$2,328.00
TOT						\$159,650.00
Middle School (1 Grant)						
S18201	Learning Ally	LCJ Summit Middle School	Middle school (grades 6-8)	Learning Ally helps students with reading-related learning disabilities and visual impairments access a collection of 80,000 fiction books, non-fiction books, textbooks, and audiobooks.	Brooke Simandl	\$8,297.00
TOT						\$8,297.00
High School (11 Grants)						
S18301	Cricut Maker	Summit High School	9-12	Cricut Maker Aids and Improves School Displays, Bulletin Boards and Student Projects	Rebecca Zarabi	\$917.00
S18302	AP Help Desk	Summit High School	9-12 Spanish	Help Desk Resources	Mónica P. Bartlett	\$459.00
S18304	Virtual High School	Summit High School	Grades 9 - 12- all subject areas	To provide the opportunity for students to take Virtual High School courses, that are courses not offered at Summit High	Stacy Grimaldi	\$11,250.00

				School.		
S18306	Peer Leadership	LCJ Summit Middle School ; Summit High School	This program intended to serve members of the Summit High School specifically grades 9, 11, and 12	Peer Leaders will consist of 11th and 12th graders. Throughout the 2018/2019 school years, Peer Leaders will be involved in facilitating meetings with 9th graders helping to transition them from middle to high school. Peer Leaders will deliver monthly lessons to 9th graders with a first semester study hall. In addition, they will facilitate an Advisory lesson to the 8th graders and help with Freshman Orientation over the summer. We are looking to have up to 60 Peer Leaders. Through this program we hope to foster healthy and long-lasting leadership skills of our Peer Leaders as well as foster a positive transition for freshman into the high school community.	Laura Gibson Amy Herber Lauren Wells	\$13,665.00
S18307	Mobile Seating Opportunity Self-Contained Special Education Students	Summit High School	High School 9th-12th	To provide mobile and flexible seating options for the growing self-contained special education community, in order to further foster their active learning and positive school climate within the classroom.	Jennifer Testa	\$5,756.00
S18308	Electric String Quintet	Summit High School	9th-12th Grade String Orchestra	Set of Electric String Instruments for use at the High School Level	Barbara Vierschilling, Robert Anderson	\$12,924.00
S18309	Probeware upgrade for AP Physics classes	Summit High School	12th grade Physics	Purchase of rotation and force sensors for AP Physics classes	Jeremy Morman and Tina Lee	\$4,694.00
S18310	The Modern Mathematics Classroom	Summit High School	9th - 12th grade students; Current classes taught in Room 101: Geometry Honors, Geometry 2 and Financial Literacy and Personal Finance; approximately 130 students per year.	Redesign the current SHS math class (Room 101) to allow for flexible seating arrangements, small group lessons, differentiated instruction, discussion groups and collaborative learning.	Elizabeth Mongno Loren MacTaggart	\$16,399.00
S18311	Stand - Don't Sit!	Summit High School	All students in the chosen classrooms in grades 9-12 will have the opportunity to spend some of their learning time at a standing desk. Initially, standing desks will be placed in Rm 205 which is a multi-subject resource room for special education. Additionally, two desks will be positioned within each major academic area to be used as needed by special education teachers (in their role as in-class support) for students that can best benefit from standing during instruction rather than sitting. This will not be limited to students with IEPs.	The goal of this grant is to provide standing desks to students who may benefit from an alternative seating option to improve classroom behavior and academic achievement.	Noreen Boverly	\$2,799.00
S18312	Restorative Practices Part 2	Summit High School	High School	To train all Summit High School staff members in Restorative Practices.	Stacy Grimaldi	\$10,085.00
S18313	LIGHTING EQUIPMENT	Summit High School	Summit High School and the entire community	Purchase of remaining lighting equipment and installation for Summit High School Auditorium	Anne Poyner	\$6,904.00
TOT						\$85,852.00

TOT

\$285,960.00
