S20301	Peer Leadership	Summit High School	High School	Peer Leaders will consist of 55 11th and 12th graders. The cornerstone of this program is to implement a Freshman Mentoring program. Throughout the 2020 - 2021 program, Peer Leaders will be involved in facilitating meetings with 9th graders helping to transition them from middle to high school. Peer Leaders will deliver monthly lessons to 9th graders in the first-semester during their PE/Health classes. In addition, they will facilitate an Advisory lesson to the 8th graders, help with Freshman Orientation, and provide support for a wide range of community-based activities. Additionally, students in the Peer Leadership Program have been a vital asset to our school community, especially with the Kindness and Unity Day events, students have been helpful in facilitating conversations between both staff and students about events happening to them and in our community as a whole. Peer Leadership fits perfectly into the district's focus of building relationships and fostering a sense of community, carrying forward the lessons learned and discussed on Kindness and Unity day. Through this program, we hope to help develop healthy and long-lasting leadership skills of our Peer Leaders as well as foster a positive transition for freshmen into the high school community.
