

Creating Possible!

The SEF Endowment Fund, launched in 2010, is a permanent, multi-million dollar endowment created to ensure excellence in the Summit public schools. The Endowment Fund's principal is maintained in perpetuity, while a portion of the return on investment supports strategic grants to the Summit schools. As the SEF Endowment continues to grow through new donations and investment performance, it has become an important resource for the District to enhance its educational programs and develop new curriculum initiatives.

SEF would like to thank the following donors who have made gifts to the SEF Endowment Fund (Inception through June 30, 2019):
